Sponsor a Program of Excellence

Seattle Junior Hockey Association was established in March of 1974. Over the past three decades SJHA has expanded to own and operate two ice arenas (Olympicview and Lynnwood Ice Center) to serve the community for players 4 - 18 years of age.

In hockey, you will find an exciting sport that will challenge youth and serve them a lifetime.

Hockey is a remarkable sport demanding unparalleled quickness, endurance, character, effort, commitment and teamwork. Hockey is based on a healthy cooperative - yet tough - lifestyle, in mind, body and spirit. These are among the finest traits adults can endeavor to transfer to youth.

Your sponsorship of an SJHA program will keep the Tradition of Excellence thriving.

Rick Ellison, Director of Athletics
